MythNetTV and a new MythTV book

Michael Still
mikal@stillhq.com

MythNetTV

Web: http://www.stillhq.com/mythtv/mythnettv
SVN: http://www.stillhq.com/mythtv/mythnettv/svn
Mailing list:
    http://lists.stillhq.com/listinfo.cgi/mythnettv-stillhq.com
Things I want to cover:
- Installation
- Configuration
- Functionality
- Other command line tools

MythNetTV

Web: http://www.stillhq.com/mythtv/mythnettv
SVN: http://www.stillhq.com/mythtv/mythnettv/svn
Things I want to cover:
- Installation
  - *SVN fetch*
- Configuration
  - *sudo apt-get install python python-feedparser python-mysqldb mplayer mencoder bittornado*
- Functionality
- Other command line tools

MythNetTV

Demos

MythNetTV

Some flags

- --help
- --noprompt
- --nopromptforannounce
- --defaultuploadrate
- --uploadrate
- --nocommflag

MythNetTV

Other tools

video.py length ...filename...
video.py info ...filename...
video.py needstranscode ...filename...
video.py transcode ...filename...

MythNetTV

Other tools

recordings_tool.py list
recordings_tool.py list ...title...
recordings_tool.py summary

recordings_tool.py delete ...title... ...subtitle...

recordings_tool.py previously ...title...

recordings_tool.py rerecord ...title...
recordings_tool.py rerecord ...title... ...subtitle...

A new MythTV book

Stewart Smith and I wrote "Practical MythTV", which was released in May 2007.

I'm working on a new version of the book, as an online wiki which anyone can edit. You can see my current progress at:

http://www.mythtvbook.com/wiki/

A new MythTV book

People who have helped out:

- Hugh Blemings
- Julien Goodwin
- Josh Stewart
- Michael Carden
- Paul Wayper

More people are of course welcome to help! Talk to me sometime.
